ABOUT **COMPANY**

Star Universal is one of Saudi Arabia's most dynamic, innovative, and diversified companies, playing a vital role in the growth and development of the Kingdom's market.

Headquartered in Dammam, Eastern Region, Star Universal is committed to excellence and continuous progress. We take pride in contributing to the nation's advancement by delivering reliable, high-quality services that meet the evolving needs of our clients and partners.

“

With a **vision of innovation** and integrity, we drive success, build trust, and support **Saudi Arabia's** prosperous future.

VISION & MISSION

We are committed to delivering exceptional services across the Kingdom and GCC, leading our sectors with integrity, quality, and innovation. Our goal is to exceed customer expectations while contributing to the region's sustainable growth.

OUR CORE VALUES

INNOVATION | PROGRESS | INTEGRITY | STRATEGY | COLLABORATION

Inspired by Vision 2030, we innovate, plan strategically, and act with integrity to build a sustainable future.

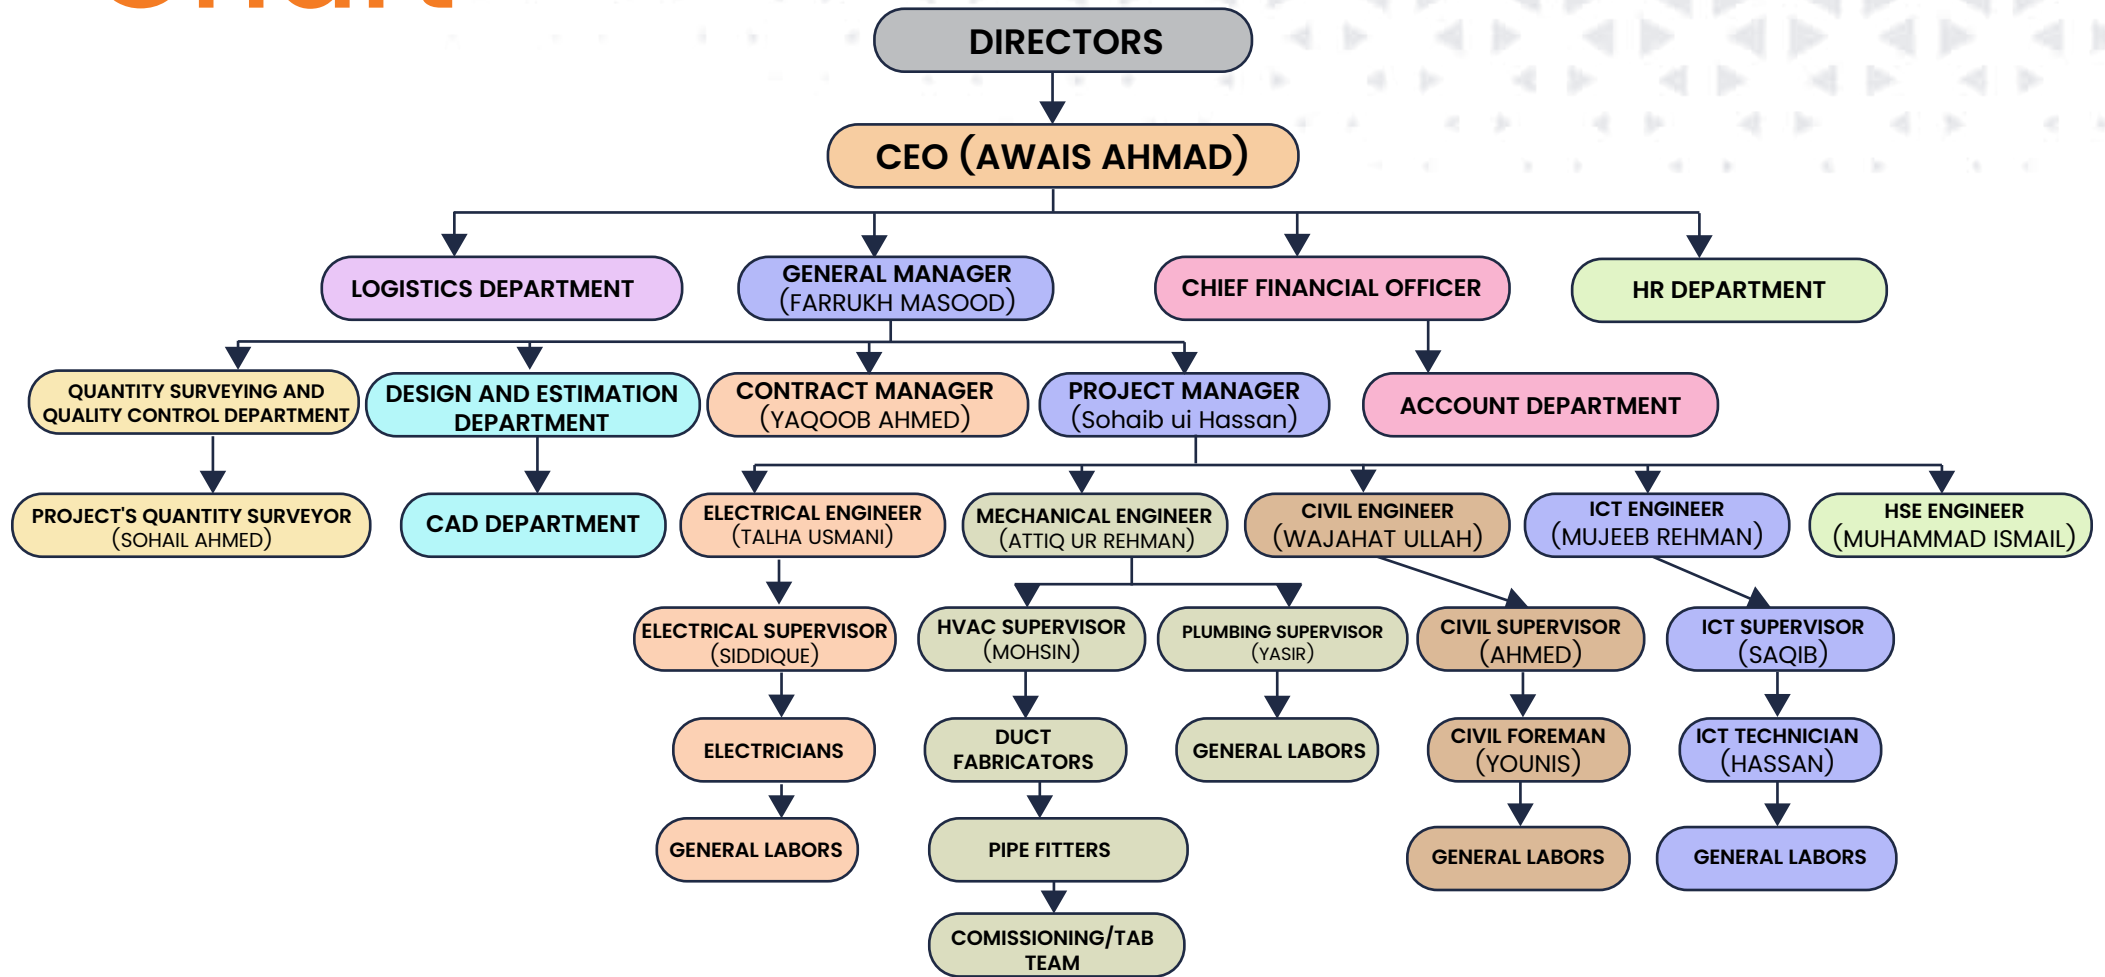

WHY CHOOSE US ?

EXPERIENCE

QUALITY

PRIORITY

Organizational Chart

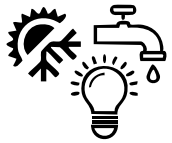

OUR CORE VALUES

Comprehensive industrial solutions through Contracting, Manpower, and Transportation expertise.

CIVIL WORKS

All kinds of civil construction services including: Residential & Commercial Buildings, Infrastructure Works, Precast & Steel Structures, Road Works, Educational Facilities, Stormwater Networks, and Waterproofing Systems.

MEP DIVISION

Complete Mechanical, Electrical & Plumbing solutions from design to execution: Electrical Systems, Firefighting Networks, HVAC, Water Supply & Drainage, Gas Distribution, and Treatment Plants, all designed to international standards.

MANPOWER SUPPLY

Skilled, semi-skilled & technical workforce solutions across multiple industries and projects nationwide.

OUR CORE VALUES

Comprehensive industrial solutions through Contracting, Manpower, and Transportation expertise.

CONTRACTING

MEP, Civil, Electrical, HVAC & industrial construction services delivered with precision and quality assurance.

TRANSPORT SOLUTIONS

Reliable on-site logistics, heavy equipment, and transport operations ensuring smooth project execution.

SOLAR ENERGY

Comprehensive solar solutions including design, supply, and installation of photovoltaic systems to support sustainable and efficient power generation.

OUR MAJOR PROJECTS

Delivering Excellence Across Industries

MEP • Civil • ICT Systems • Solar Energy • International Projects

GOVERNMENT & DEFENSE PROJECTS

JEDCO & ROYAL SAUDI AIR FORCE PROJECTS

Client: Jedco & Royal Saudi AIR FORCE
Area: Jeddah, Saudi Arabia

SNO	PROJECT	DESCRIPTION	CLIENT
1	Royal Saudi Air Force Building, KAIA, Jeddah	Design and Execution of complete MEP (HVAC, Plumbing, Fire Fighting & Electrical) and Civil Works.	JEDCO
2	JEDCO HQ Building, Jeddah	Technical Assessment and Design of complete MEP and ICT systems for a 4-storey HQ building.	JEDCO
3	Ex-Saudi Airlines Building, JEDCO Jeddah	Design and Execution of complete ICT System.	JEDCO

HOSPITAL PROJECTS

HEALTHCARE PROJECTS

Client: Jedco & JNH (Jeddah National Hospital)

Area: Jeddah, Saudi Arabia

SNO	PROJECT	DESCRIPTION	CLIENT
1	Ex-Saudi Flight Operation Building, KAIA, Jeddah	Technical Assessment of complete MEP (HVAC, Plumbing, Fire Fighting & Electrical) and Civil Works.	JEDCO
2	Jeddah National Hospital, Ghulail	Design & Execution of chilled water HVAC & ICT systems (approx. 25,000 m ²).	JNH
3	Jeddah National Hospital, Makrona	Technical Assessment, Design & Execution of Chilled Water HVAC and ICT Systems for 6-storey building extension.	JNH

COMMERCIAL & RETAIL PROJECTS

COMMERCIAL & RETAIL DEVELOPMENTS

Client: MSCL, Shwaiat Al Khaleej, Ibrahim Shaheen Al-Manzar
Area: Jeddah, Saudi Arabia

SNO	PROJECT	DESCRIPTION	CLIENT
1	Hajj & Umrah Terminal Buildings, KAIA, Jeddah	Design & Execution of HVAC systems for Pilgrim sitting zones	MSCL
2	Shwaiat Al Khaleej Restaurant	Complete Civil, MEP, and ICT/ELV systems for 10 branches across KSA.	Shwaiat Al Khaleej
3	Rehab Petrol Station (5,000 m ²), Jeddah	Design & Execution of MEP & Civil Works.	Ibrahim Shaheen Al-Manzar

EDUCATION & HOSPITALITY PROJECTS

EDUCATION & HOSPITALITY PROJECTS

Client: Bindayel, Jeddah International School, Al-Bina Al-Muammar
Area: Jeddah, Riyadh, Saudi Arabia

SNO	PROJECT	DESCRIPTION	CLIENT
1	A1, A5 & Auditorium Buildings – Riyadh Technical College	Technical Assessment, Design & Execution of HVAC systems for 3 buildings.	Bindayel
2	Jeddah International School	Design & Execution of Civil, MEP & ICT systems for a 5-storey school.	JIS
3	RUSD Hotels & Commercial Towers	MEP works for a 10-storey commercial tower on King Abdul Aziz Road.	Al-Bina Al-Muammar

INTERNATIONAL & CORPORATE PROJECTS

INTERNATIONAL & CORPORATE PROJECTS

Client: Al-Emadi, Al-Essayi, Al-Baik
Area: Jeddah, Saudi Arabia, Qatar

SNO	PROJECT	DESCRIPTION	CLIENT
1	Emadi Villas (30,000 m ²), Doha, Qatar	Design of MEP systems for residential compound with multi-storey villas.	Al-Emadi
2	Abdul Latif Plaza (Office), King Fahad Road, Jeddah	Design & Supervision of MEP & Civil Works.	Al-Essayi
3	Al-Baik Restaurant Chain	Design & Supervision of MEP Systems for multiple branches across KSA.	Al-Baik

ENERGY & SOLAR PROJECTS

SOLAR ENERGY & INDUSTRIAL PROJECTS

Client: Petrolube, China Energy Engineering Group Guangdong Power Engineering Co. Ltd, China Gezhouba Group Co. Ltd
Area: Jeddah, Saudi Arabia

SNO	PROJECT	DESCRIPTION	CLIENT
1	Energy Efficiency Petromin Plant, Jeddah	Supply & Installation of MEP and Civil Works for energy optimization.	Petrolube
2	Shuaibah 1 & 2 PV Projects	Solar installation with PV tracker modules, module installation, and PV foundation.	China Energy Engineering Group Guangdong Power Engineering Co. Ltd
3	Shuaibah 1 & 2 PV Project (Phase 2)	DC & LV cable laying and Arctech PV tracker installation.	China Gezhouba Group Co. Ltd

SOLAR ENERGY PROJECTS

Powering the Future with Renewable Energy

 **Design** |  **Supply** |  **Installation** |  **Commissioning** |  **Maintenance**

PEPSICO SOLAR POWER PROJECT DAMMAM, SAUDI ARABIA

Client: PepsiCo

Capacity: 750 kWp

Scope: Design, Supply, and Installation of PV Solar System

This project involved the turnkey design and installation of a **750 kWp photovoltaic solar plant** at PepsiCo's Dammam facility. The system enhances energy efficiency, reduces operational costs, and supports PepsiCo's sustainability objectives.

SCHLUMBERGER DAMMAM, SAUDI ARABIA

Client: SCHLUMBERGER

Capacity: 750 kWp

Scope: Engineering, Procurement & Installation

Star Universal delivered a 750 kWp rooftop and car-shade solar system at Schlumberger's Dammam operations base, optimizing renewable energy use and reducing carbon emissions.

MERCEDES Riyadh , SAUDI ARABIA

Client: Mercedes-Benz

Capacity: 350 kWp

Scope: Design, Supply & Installation

The Mercedes Riyadh project included a 350 kWp PV rooftop installation, powering dealership operations with clean energy and showcasing sustainability in the automotive sector.

BINZAGR KAEC JEDDAH, SAUDI ARABIA

Client: Binzagr Group

Capacity: 2 MWp

Scope: Ground-mounted Solar Farm

A large-scale 2 MWp ground-mounted solar installation located at KAEC, Jeddah, supplying renewable energy to industrial facilities. The system includes advanced inverters and high-efficiency modules for optimal generation.

ZAHID BUSINESS PARK JEDDAH, SAUDI ARABIA

Client: Zahid Group

Capacity: 1.5 MWp

Scope: Design, Supply, Installation & Commissioning

This project features a 1.5 MWp solar system installed at Zahid Business Park, supporting corporate sustainability goals through clean energy generation and reduced grid dependency.

ALBADAD NEOM CAR PARK NEOM, SAUDI ARABIA

Client: Zahid Group

Capacity: 1.5 MWp

Scope: Design, Supply, Installation & Commissioning

This project features a 1.5 MWp solar system installed at Zahid Business Park, supporting corporate sustainability goals through clean energy generation and reduced grid dependency.
